The Third World War Is On

By C. Leon de Aryan

The common sucker variety of Americans close their eyes to what is going on in this country and abroad; they are unable to coordinate the events and see the complete picture, which discloses who it is and how it is being maneuvered again, again and again to be the catspaw in the **Third World War** that is already going on in Europe and Asia. In their ignorance they imagine that some bad "enemy" is going to descend "suddenly" and "unprovoked" upon an innocent American people and "attack" them, as predicted in the narrative of George Washington's "vision". THEN, they figure, the defense of the country will unite all the people, eliminate the "fifth" column within and the "invader" will be driven out.

The truth of the matter is stranger than fiction, hence the suckers fail to perceive it.

The third world war is NOW BEING FINANCED with American taxpayers money, impartially handed to all who are being groomed on BOTH sides of the conflict for the final ORGY.

Wars are a very complicated affair; they don't grow on bushes; they are to be stage-managed carefully to yield the "proper" results to the managers. These we call the SANHEDRIN for lack of a better descriptive label which covers the persons and methods at the same time.

We call it the SANHEDRIN because it is the Devil's own brood, according to St. John 8; because it has its finger in every world-war pie, because it hopes to establish a final Zionistic dictatorship as the end-result of these world-wars. Because the House of Rothschild, and its Gentile Allies, is the nucleus around which this dictatorship revolves, as history clearly demonstrates to those who have eyes to see; because the Rothschild Allies ARE integrated with England and France and now have taken control of the USA as well.

Wars are the result of **Perversion of God's FAITH.** War is the reversal of all that is human and good. Every virtue becomes a crime in war and every crime is a virtue. War IS Hell.

Hence wars are produced by the "atomic" accumulations of bad faith with yourself, by your own greed, rapacity, indolence, ignorance and heartlessness. It takes these accumulations of neglect and viciousness as the mass-material which, then, the Sanhedrin manipulates into open explosion, series of explosions, with all attendant violence against nobility, spirituality and the **restraint of civilization.** The beast is **released from spiritual restraint and discipline** and glories in its brutality and sadism. THAT is the heroism of war.

Hence to find the causes of war it is foolish to blame one nation or another. Where the individuals in each nation have risen to the point in evolution and self-consciousness that they do THINK and realize their **individual responsibility;** where they know that not only the physical world is governed by absolute LAW, which the engineers utilize to produce marvels of comforts and wealth-enhancing machines, but also the world of social relationships is subject to the same absolute order of CAUSE and EFFECT, the Sanhedrin has no power to do mischief, as Jesus set the example by preferring death upon the cross to aiding and abetting a war upon Rome for the "liberation" of the Zionists and their final dictatorship.

As the world's SAVIOR Jesus has very clearly and specifically set the example which those of us who believe in HIM may follow successfully.

But a people who prefer hokum to truth, who prefer indolence and booze to responsibility and sober thinking, are subject to its consequences; they set their faith in violence, in armed might and have to experience what they do to others. BAD FAITH produces wars. Bad faith towards God, the world and ourselves.

WHAT IS CHURCHILL DOING IN USA?

In order that the Sanhedrin may control, ALL who are powerful must be broken. Since the Sanhedrin is but a handful of ambitious families, their success depends upon their ability to set brother against brother and get them to destroy themselves. Bear in mind, the Sanhedrin KNOWS the **reality of reincarnation** and what they do not accomplish in one incarnation, they return to finish in the next and finally, thus expect to be here again to enjoy the ultimate result and REIGN over all the nations of the world, as THEIR religion proclaims and in THEIR belief THEIR God appointed them to this purpose, hence THEIR complete devotion to the task.

Thus we find that Rothschild early went from Frankfort to London to establish headquarters. By Rothschild we speak of the clan. The usurer allied himself with Albion. Both are equally evil in their aim at world dictatorship hence their aims parallel for a long stretch of the road. The scheme is to **unite the many nations, groups and peoples under ONE** centralized government and THEN the Sanhedrin becomes THE government.

When you keep this in mind it will be easy to follow ALL the moves upon the chessboard of national and international intrigue. That's why the Sanhedrin encourages the Imperialism of England, Russia, France, Holland, etc. It produces a twofold result: it unifies the colonies under one regime which they can easier control and **exploit financially and** it embitters the natives against the whites, so that, then, the Sanhedrin will appear in the guise of LIBERATOR of the natives from the Imperialism of the whites.

Wherever there is a strong nation the Sanhedrin saps it from within and grooms another nation for war against it.

Today Churchill is in the USA to prepare the war against Russia. Already Vandenberg has been told how to sound off and Byrnes followed suit by "warning" Russia. At the same time the administration announced that the USA treasury will hand over $3,750 million "loan" to England, but that Russia will get a billion from the Export-Import Bank, both out of the pockets of the American taxpayer. Also that France and others will be financed as Russia is. What does this show?

Even though the village idiot can see now that England is going to war on Russia to "protect" its empire and the USA is going to stand with England by opening its treasury direct, nevertheless, **how could there BE A WAR** if Russia and France, as Russia's satellite, are not ALSO financed to **MAKE WAR?** That is how the Sanhedrin works.

Russia is the most brutal and criminal despot in raping, robbing and murdering, enslaving its own people and all countries it over-runs. But our gangsters in the White House see no evil in Russia; still, because Russia wants to destroy the strongest support the Roman Pope has, in Franco Spain, to **finally undermine and remove the Pope from Italy** and make it Russia's sphere, the Sanhedrin is pulling the strings to strengthen Russia's aim, weaken England, return civil war to Spain, hasten the open outbreak of world hostilities and bring the day nearer when their Zionistic plans of world domination thru one centralized government, the UNO will materialize. Hence the seat of the UNO is to be right in the backyard of the largest Jewish population group, New York.

"Christ Scientist", Church or Racket ?

WHEN IS A "CHURCH" AN INSURANCE COMPANY ?

The Atty. Gen. of California argued in the case of the People vs. Arthur (The Voice) Bell that "Christ's Church of the Golden Rule" came under his jurisdiction **because** it was an incorporated, **non-profit church organization** hence he threw it into receivership in the California superior court of Los Angeles. But when appearing in Federal court, opposing federal jurisdiction over bankruptcy proceedings, Robert Kenny's argument was that it was not a church in fact or law, but an insurance corporation which **cannot institute bankruptcy proceedings.** The federal court over-ruled Kenny and accepted jurisdiction in bankruptcy of the church as a Church.

That raises an interesting question. Is the Roman Church an insurance company when it accepts donations and monks, nuns, priests into its fold who are provided for the rest of their lives as long as they comply with the rules and discipline?

And, what about the "Christian Science Church"? Are they a church or a front for Health and Success practioners? Christian Science teaches that by following the Christ principle in daily practice you **insure health and material plenty,** and as a whole they have demonstrated this truth; became a powerful group. Does that make them an insurance company? Does that make them a front for the evasion of the Medical Act that they may "practice medicine" and **heal the sick** without a "license," under the cover of religion?

Bear in mind, both the Roman Church and the Christian Science organization have and continue to betray the Christ in every war by playing politics with religion and accrediting chaplains to the warmakers. But Bell's outfit which Kenny attempts to disown as a church, have steadfastly opposed war and war-service.

As long as the Roman hierarchy and the "Christ Scientist" outfit are legally recognized as a church, though **both continue to betray the Christ-principle in practice,** upon what grounds is Bell's outfit NOT a church? —**because they live up** to the Christ-principle?

When the Atty. Gen. sets himself up as the "protector" of religion, **while he favors the Communists,** it is high time to stop and ponder what the fate of religion will be under his ruling.

CHRIST'S CHURCH OF THE GOLDEN RULE

Dear Kosti:

At least one of the folks that woman tells about in her letter against the way the hotel is run is not one of the members of the Church and is hired as any employee might be, but he has all the say. It is too bad that folks are so shallow and cannot seem to follow clear directions. Had those people been careful to follow their instructions, or the laws of the organization, I doubt that they would have had all those difficulties. Folks are funny bugs. I can't understand them. Of course most of the crowd we picked up came in to get something. When it pans out that they are only giving, giving all the time, that is not too pleasant for them and they decide to go it alone again. . . .It's a big show-lots of fun!

Fred should be complimented on his work.

Take good care of our Kosti.

Love, HELEN.

Testifies to Mertig's Innocence

Dear Mr. de Aryan:

I am just reading the article in The Broom on the trial of the three speakers at the Christian Front meeting on October 6, 1945. I myself have heard, seen and been with Mr. Mertig most of that evening and can truthfully say that Mr. Mertig has neither said anything offensive against the Jews or any other racial or national group nor has he sold that book on Jewish ritual murder. He had never read it nor seen it before. I went to the courthouse on February 28 to hear the decision of the three judges. What the verdict was you must have heard since our friends are on Rickers Island, New York State Penitentiary and Workhouse, hoping that they may get an appeal. If that is granted then they will have a lot of expenses. In the end they are really the fighters in our front line.

WE SHOULD HELP
and
WE COULD HELP

Would it be possible to make an appeal to all the readers of The Broom? If every one gave only one dollar we could not only cover their expenses, but at the same time start a fund for emergencies like this, and we could get a ball rolling. Here is more at stake than 6 months in that work-house for two men.

Forgive, dear Mr. de Aryan, for writing to you, but something ought to be done in this case or we all will some day suffer the same injustice.

Very sincerely yours,

FELICITAS von WEINRICH

Robert Nobel to be Free March 26

WASHINGTON,—Robert Noble, of Los Angeles, who with Ellis O. Jones was leading the "Friends of Progress" is expected to leave the D. C. jail on March 26, having finished his term of confinement. Mr. Nobel intends to return to Los Angeles, probably on parole for the remainder of the federal sentence after conviction for "sedition."

Mayor Bowron Vetoes Police Union Checkoff

LOS ANGELES,—Declaring a police union is "repugnant" and "contrary to sound public policy", Mayor Fletcher Bowron vetoed the ordinance giving the dues checkoff to city employee unions.

However, he made clear he would approve a substitute measure excluding the police group and covering checkoffs for unionized employees of other city departments.

"I feel that a police union has no place in the organization of the police department of this city," said Bowron, "or in any government, and its existence, certainly its official recognition, is contrary to public policy and against public interest.

"A labor union of peace officers is repugnant to the very principles of democracy, the form and purpose of representative free government.

"Unsettled conditions and numerous strikes, with accompanying violence, in various cities throughout the country. . . . . have demonstrated to every unbiased and fair-minded citizen that police officers sworn to support the Constitution of the United States and of this state, and whose duty it is to enforce the law equally and without fear or favor towards all, must be neutral in fact as well as in appearance in all matters where organized labor is involved.

"The local (A. F. of L.) police union No. 665, was started in March, 1943, when 13 police officers applied for a charter. Thereafter began a campaign of villification and abuse. I can and will overlook what was said of me, but repeated baseless criticism of the Chief of Police, one of the most honest, honorable and efficient law enforcement officers of any city in the entire country, has had the inevitable result of affecting morale among members of the department interfering with and impeding the proper and efficient administration of the department, and has brought about a division or clique within the department.

"The police union has itself demonstrated that it is bad influence in the police department and in local government. It has been a secret organization. . . . .and definitely against the interests of the police department and the city. . ."

The Field legislative subcommittee recently recommended a state law prohibiting police unionization as a result of inquiry into the recent motion picture strike riots.

Is Arthur (the Voice) Bell a Swindler?

Dear Kosti:

In your edition of THE BROOM for Monday, Feb. 11, there was a letter re: "Christ's Church of the Golden Rule", socalled, signed by some "CHARLIE". Since then I have been watching for something that I did not expect to happen, i. e. a meeting between you and Arthur L. Loubor, alias Bell, Jackson, Patrick, Fontaine, Osborne ad infinitum, or nicknamed the "Gigolo Pope".

Other letters seemed to indicate that such a meeting "might be arranged", however, I think you might as well give up any hope of meeting this "mighty presence"— "The Voice". You may rest assured he is not going to meet

you and let you turn your "Esoteric X-Ray" on him, neither is "23", who was also "not at home" when you called. It is one thing for these "mighty (?) ones" to meet and talk to persons who have been propagandized for years and turned into "Zombies", and quite something else to meet and talk to a person who is not under the auto-hypnotism that many of these "church" members are.

If you will take the time to investigate you will find that the same propagandizing, and consequent mental enslavement, has been used in this socalled church, as Hitler used on the German people; Mussolini on the Italian people, and the war-lords on the Japanese people. American newspapers called the Germans "A nation gone mad", it was not so, it was a nation "mass-hypnotized". Did Hitler not say "no matter how big the lie, people can be made to believe it, if it is told to them often enough and over a long enough time"? I ask, did he not prove his theory right?

Most of the "church" members of this so-called "Christ's Church of the Golden Rule" come into it as "Children of God" and were promptly turned into "Children of the Church" where the greatest commandment is **"Obey Instructions to the Letter",** no matter what. They were told: "If you are instructed to plant cabbage upside down, do so, and ask no questions".

Years ago, under "Mankind United", they were told in the "literature" to "think and then act", but not lately. Since the promotion of this socalled church I have been unable to find such instructions, it is now "Follow instructions exactly to the letter". To show you how well this works. A short time ago a "Church Zombie" and a "rebel" against the "church" were discussing this very point. The adherent to the organization had maintained that instructions should be followed exactly, no matter what they were. The "rebel" then asked, "but suppose you were instructed to put a 'Micky Finn' in some one's coffee, or cut someone's throat, would you follow instructions?" The "Child of the Church" only gave a vacant grin and walked away, no affirmation or denial.

Along this line I want to call your attention to your answer to "CHARLIE" in the Feb. 11, issue of THE BROOM, one part of next to the last paragraph you make this assertion: "And every project member who deeded their property to the church is supposed to be free, white and over 21, and not an irresponsible moron who does not know what they do when they join the Church".

This, Kosti, shows how little you appreciate the extent to which the last 8 or 9 years of propaganda has taken effect on the minds of the "Children of the Church". In fact, they seem to have no minds of their own when the "Church" orders them to do anything.

An illustration of this is the "Power of Attorney" lately sent out to be signed, **giving POWER to Bell** to act for them, sign their names, indorse their checks, etc., **in perpetuity.** I was asked by an attorney: "What percent of them will sign it?"; I replied "at least 95 percent" of the "Children of the Church" will, and so it proved. They were **told to sign** and they signed.

The "Children of God" known as "rebels" against the socalled "Church", of which I am proud to be one, did not sign it.

When George Washington rebelled against Great Britain he, of course, was a REBEL to the English way of thinking, but now we think of him as an inspired PATRIOT. We rebels against this un-American aggregation may be in the minority so far as the public knows, but let me assure you, we are gaining in strength and numbers daily and **if the courts do not clean this CANCER** off the body of the State of California, **we will,** for to call this aggregation of slaves, ruled by a dictatorship, a church, is bad enough, but to call it "Christ's Church of the Golden Rule" is just plain blasphemy, to me. It was incorporated as a "Church" for the avowed purpose of escaping taxes and income taxes, that was common knowledge.

Again you seem to think that everyone signed into this aggregation willingly. Well, again you guess wrong. Many signed under duress and, or protest. They had been worked into a corner where they could not help themselves. So "CHARLIE" is right in asking for a thoro and searching investigation. The Rebels welcome the most searching investigation and will help the officers and courts in arriving at the truth, in any way they can.

P. O. Box 349, East San Diego 5, Calif.

Declared a legal newspaper of general circulation for the County and City of San Diego, in California, by Superior Court Order, January 15, 1932.

Entered as second class matter March 27, 1931, at the postoffice of San Diego, California, under the Act of March 3, 1879.

Not one of us rebels have an alias or assumed name. But look at those who claim to be officers in this outfit. Do assumed names and aliases tend to inspire your confidence? It is one thing to change one's name if it is unwieldy or unpleasant, but to keep hiding behind first one, then another alias does not smack of honesty and trustworthiness.

You accuse Atty. Gen. Robert Kenny of being a fellow traveler with the Communists and yet you say he wants to break up this outfit. How come? If this is not Communism, Collectivism, in principle, what is it?

Yes, most of the slaves in this outfit are white and over 21, but free they are not. Investigate and find out. Bodily they may be free, but mentally they are under a fog induced by propaganda, fear, terrorism. Yes, investigate and find out.

These poor dupes are told. "You had better turn your property over to us, as a church, we can protect it. If you don't it will soon all be taken away from you by taxes or confiscation". This was harped on until the dupes, most of them believed it.

You make also the assertion that the Mercy Hospital, operated by Roman nuns at San Diego, do not have to make an accounting of their disbursements, or at least you intimate as much. Well, for your information, I can give you the name of the public accountant who audits the books at the Mercy Hospital and of about 20 other Catholic non-profit enterprises in your neck of the woods. Being non-profit they must submit their books to scrutiny by the State.

Well, Kosti, here is hoping you succeed in getting "Bell" or Elsea or any other of the egotistical termites cornered so that you can take their measure, but don't hold your breath till you do. And don't forget the greatest thing that we rebels desire is a thoro, searching investigation, we can take it, but the termites can't.

GOD'S KINGDOM DOESN'T YIELD TO FORCE

Dear CHESTER C. COOK:

Many thanks, indeed, for the interest you have taken to give me your information and draw my attention to the doings of Arthur Bell and his 2 organizations, M. U. and the "Church". Contrary to your expectations and assurances, I have had no trouble whatever contacting such individuals of the organization as was necessary to carry on my investigation.

As you will appreciate I have subscribers everywhere who gladly cooperate with me when I want to find out something. One of them, not a member of Bell's organizations, took me around in Los Angeles and introduced me to the manager of the Continental building, a "project" of the "Church". From then on the path was smoothed and I was put in direct contact with every person I was interested to speak to and whatever information I asked for was produced immediately, and to my complete satisfaction. Indeed, they are going out of their way to show me what I want to know, on my own terms.

You will realize that when I want to know the truth about an organization, or machine, I don't interfere with its functions but let it proceed in its accustomed activities and I observe all the rules so as not to disturb its fixed operations, otherwise I would not see it as it is when unobserved. My reputation seems to be such with them that they trust me completely, and in my fairness and integrity.

My subscriber had been watching the 2 organizations for years. He declined to sign anything or affiliate, on the same grounds that I wrote you before your affiliation, that I am an individualist and would never consent to submit to any other person's initiative for long in the conduct of my life. But my friend, from his own observations, and as long term tenant in the Continental "Church project" building, 408 So. Spring St., had nothing but praise for the members and the building manager. It also happened that a woman tenant entered the elevator at the same time I did and expressed to the operator her heartfelt loss of the "Church" servants who so faithfully had served her as a tenant of the building. All people in the building are genuinely sorry that Bell had sold the buildidng to meet the demands of creditors and with the proceeds save some of the other investments which are being dissipated in the bankruptcy proceedings. Court interference feeds a whole army of legal parasites imposed to administer the properties and collect a handsome rake-off.

I looked at the "Zombie" who operated the elevator and the others who were janitors, and my attention was attracted to the wholesome, carefree, genuinely happy attitude of the whole crew **who worked as owners work on their properties** and not as hired hands who merely collect wages and put in time. I am still looking for those who are working under duress, as you say, and in constant terror of the dictatorship. There seems to be quite a difference between Hitler's dictatorship and that of the Christ, who also is a very strict dictator, demanding instant obedience, but bestowing happiness and succes on those who TRUST Him. It was quite remarkable that in the Continental bldg. the employees displayed this socalled "Christian" joy of living, rather than the terror found in Stalin's realm. It is funny, is it not, that when a woman loves her man his attentions are not rape, but joy; and so it seems to be with your "Zombies" who obey instantly. I can well understand how your friend simply grinned at you when you asked whether he would obey orders to put a "micky finn" in someone's coffee, or cut someone's throat. He was very well behaved in not asking you whether you were crazy, or what.

Recently I received letters from some people who had joined Bell's organization. They happen to be subscribers to my paper. I have a close acquaintance with them. None of those who share your attitude are willing to be quoted, except your daughters and Mr. Parsons. That is peculiar. They have nothing to fear, yet their conscience does not permit them to come out openly. I never give weight to anonymous complainants, unless there is a valid reason for the anonymity. In this case I could find none.

In conducting my investigation I neither accept your view nor Bell's for my guiding criterion. I abstain from condemning either before the evidence is in. I find considerable contradiction in statements of facts as presented by Mr. Kenny's investigators and by the "Church's authorized spokesmen". So before I commit myself more definitely than I have so far, I will have to confer again with the Atty. Gen. Office as regards certain statements and "evidence". I have been far too long in this kind of work to accept the word of anyone who has an interest in the outcome.

Your attitude is that asking for power of attorney clinches the proof that Bell is a swindler who robs his dupes. That need not necessarily be the case if Bell is honestly doing his best to **protect their investments which at present are being dissipated,** as anyone who knows legal processes in dissolution of organizations easily can appreciate. The wealth of the Church consisted in their unity of action under one well worked out program. The moment that program is stopped the pieces by themselves have lost the value they had when integrated. Same as your nose is no good to you once chopped off your face. The body has value only as an integrated living organism, and so does a church-organization that starts out to prove that by collaboration along Golden Rule lines all the waste of dissention and friction is redeemed for the common welfare, as for example all the waste of war could make everyone of us millionaires if applied constructively. It is apparent from what I have seen so far that **Kenny's action has stopped** a very successful economic demonstration of the Golden Rule in action, which is exactly in line with Communist policy. Now I am out to make sure that I am not fooled by appearances and will compare notes again with Kenny's investigators as soon as I have assembled the documents I need from Bell's Church.

As to the unwillingness of those who signed, I yet have to be shown. I had advised you that I would not sign, when you consulted me, yet you went ahead and signed. Were you terrorized, were you hypnotized, what was the fascination, or did you expect to get something for nothing and became disappointed when you had to give quid pro quo in unceasing labor and faith? You must realize that I have to scrutinize the rebels as diligently as I have to deal with Bell.

Concerning the auditing of books of Mercy Hospital, etc. If the firm of accountants is willing to give me what information I might require I would be glad to call on them, otherwise they are of no value to my investigation.

As far as Bell's outfit is concerned it appears that the whole crux of honesty and integrity lies in this very audit. The information I received from the Church's authorized spokesman **pointedly contradicts the information supplied by the Atty. Gen. Investigator,** when we were in his office and you and they explained to me what went on. I shall require that the Church supply me with the documents I need in the case and then I will compare it with what the Atty. Gen. Investigator presents. This will clear the whole substance of whether Bell is a crook or so far ahead of the gang that has driven humanity from war to war to rob and enslave us all, that this gang now is using the power of the State of California to stop the demonstration of the superiority of Christian methods of living and doing business.

I must thank you for the interest and trust you have given me because it is most fascinating to find out why Bell got into this trouble IF HE FOLLOWS THE GOLDEN RULE. As you know **nobody can take the Kingdom of God by force and violence,** since this blow to the church took place just 3 months before it would have been 85 per cent out of debt and the properties would have been multiplied in value many times over, there must be something wrong somewhere. What is it?

Concerning the alias. It does not necessarily follow that people who use pen-names in their literary outputs are crooks. The use of aliases is beneficial when one wants to present a thought on its own merits. Would I attempt to speak on the radio today the Jews, Communists and Newdealers would persecute the radio station. Would I speak under an assumed name my contributions would be judged by their own worth and might do lots of good.

Sincerely, KOSTI .

Dear Mr. de Aryan

Now that the war is over (or is it?) there seems to be a mad rush, to get people to love one another.

Are the hatemongers beginning to fear the reactions of their evil deeds?

What a pity they didn't preach God's law of loving each other first; which could have prevented the resultant misery and destruction in the world. But better late than never. Hope it isn't too late.

If all countries are really sincere in wanting a lasting peace, they should disarm simultaneously and abolish military conscription. Am sure that if the people of all countries were given the chance to vote on it, they would vote in favor of abolishing militarism .

The programs of Senator Tydings and Representative Martin deserve the support of all peace loving people in every country, if mankind is to survive.

What a sad mess the world is in at present, as a result of the deception of false leaders everywhere..

As a minister once said on the radio, "We need honesty and faith in God to restore unity and order." How true.

I hope the scientists will think long and seriously before attempting to shoot at and destroy the moon; for life of any kind cannot long exist without it.

"The moon not only influences plant life and bacteria; but all other forms of life upon the earth." Quote from L. A. Examiner.

Hoping for the best, I am

Sincerely yours for truth and justice,
— — M. G. S.

(Continued from last week)

Inquiringly Miryam looked into the amourous eyes of Aunt Elizabeth, who at once caught the meaning and confidentially whispered: 'Hail unto thee, Miryam, thou art blessed among womankind. Abba has a blessing for thee that assures favor unto thy name in the sight of the Lord Most High, for unto thee shall come the fruit of the Lord."

"Peace be unto thee, Milady Elizabeth; still how shall this be when I know of no man?"

"Miryam, thou favored one, knowest thou not from thy instructions in the Temple the law of purification and preparation, with thy thot fixed attentively upon the countenance of the Lord, that by virtue of the divine thot in thee and the consent of thy most holy desires the fruit thereof shall be delivered as the Son of Man, endowed with the spirit of Immanuel? Abba will teach thee as he teaches his most humble handmaiden Elizabeth that even I, advanced in years as I am, may become fruitful unto the glory of our patriarchs and the redemption of our kin in the perpetuity of our genealogy."

"But," asked Miryam, "how am I to behave in the presence of the Lord to bear a son when it rests with the laws of the Most High to do as He pleases?"

"Not so, Miryam, not so. The Most High has endowed the mothers in Israel with the quality of determining sex at will and in accordance to law and divine order. We should keep ourselves prepared unto conception by leading pure and virtuous lives, free from the appetites and lusts of the world, avoiding passion and prohibited embrace, so as to exercise consciousness of mind, and with our thot fixed upon the glory of the Lord, impart a motherly benediction to the hour of conception and the fruit of fecundation. And remaining in prayer at the time of the overshadowing, the power of the Highest determines the nucleus unto fruit of the spirit and by additional thot thou hast control over the working of gestation, and as thou thinkest in thy heart and confidingly speakest thy desires of faith in fervent prayer, even so the delivered one shall be and grow in stature, wax strong in spirit, filled with wisdom and the grace of God."

"Be it unto me as the Lord commandeth," answered Miryam slowly and thotfully, absorbed in depth of thot imparted to her by Aunt Elizabeth.

The days continued to grow hotter, still this did not hinder the holy women of Yudea, Elizabeth and Miryam, from wandering daily to the olive groves of Gethsemane to listen to the inspiring exhortations of one of their noblest and wisest of kin—Abba.

The thot of the purpose of life as expounded by Abba threw light upon the obscure teachings of the Temple and opened up the avenues unto a renewed hope in the fainting heart of the faithful, ever struggling for emancipation. The word of God diffused in a language pure and simple to the mind, royal in principle and democratic in its desires unto application, brought a new lease, a new impetus to life. It turned the ideal into a realm made real, imparting joy to the heart.

"Every child," said Abba, "must be of God and brought to this earth by direct command from God; to be a child of God one must be a savior to his kin and help redeem the earth from the powers of possession. The salvation of a nation lies in the rising generation brought forth by mothers who remain chaste and pure, preparing their tabernacles unto divine conception and consent to become overshadowed only during the period of the brightness of the moon as the rays of the sunlight pierce the darkness of night unto the resurrection of a glorious dawn. Follow the voice of the Angel Gabriel as he proclaims the light unto understanding; yield to the command of the Most High; obediently give up thy spirit to the counsel of wisdom that every thot, every word, every deed may be filled with the brightness of the Lord Most High. Give thy affections to the one chosen for thee by virtue of the ties of affinity, but love can only come to us thru the gift of the heavens—the offspring of our own blood or the offspring of another in whom slumbers the spirit of our own kind and who is led unto our hearth by the unseen hand of Our Most High Father. Keep pure thy body from the defilement of the flesh; give no thot what thou shalt eat or drink, as thy thot blending with the thot of the Most High reveals to thee the fruits of the seasons and recalls to thy mind the teachings of the Temple in so far as expedient to thee at the hour of prayer. Follow the commands of Moses with reason and thankfulness in thy heart, that thy days shall be spent in glory and the hours of the night shall bring to thee peace. Amen."

A small caravan wound its way along the mountain chains toward a beautiful valley overshadowed by the spires of distant Tabor. A few more hours' patient travel and the wanderers made a halt before the outskirts of a scrupulously clean city quite different from the cities of Yudea. After passing thru their purifications and changing their garments they entered the city of Nazareth, famed for its literary achievements and as the Holy See of Essenees and the stronghold of the Greek schools.

Into one of the fashionable avenues this little company rode in order to enter the narrow gate leading to a walled residence surrounded by a foliage of the freshest green that breathed vigor and strength.

Miryam was led by her betrothed, Yousef the artist, into her home, where children by years her senior embraced her with all the love and submission characteristic of the religious training of an aristocratic nature.

Miryam was pleased with her new home, still there was hardly a moment that her mind did not dwell upon the oliveverdured hills of Yudea and the wonderful revelations that had come to her.

Engaged in work, but absorbed in thot and recollection of the manifold blessings she had received from Elizabeth and Abba, she was entirely unaware of a stranger approaching her under the arbor of grape vines and was not a little surprised to hear her name called as if out of the depths of the long ago. She was sore afraid as she lifted her eyes and heard the words:

"Hail to thee, Miryam. I am the Angel Gabriel sent by the Most High. Thou art highly favored; the Lord is with thee; blessed art thou among women, and blessed is the fruit of thy womb—whose name shall be Yessu. Great shall He be, and He shall be called the Son of the Highest, for thy Lord shall give unto Him the possession of His father, even those of the house of David. And He shall reign over the house of Yacub and Heli forever, and to His dominion there shall be no end."

"How shall this be, seeing I know not of a man, altho I am espoused?" Miryam asked of the angel.

And the angel answered and said unto her: "All that is of the spirit shall come upon thee, and by the power of the Highest to thee shall come the overshadowing so that what shall be borne of thee may be holy in all things and become the Son of God the Father. Go unto thy Aunt Elizabeth in Yudea to receive thy blessing. Even she has conceived to deliver in her old age a son, and this is the sixth month with her; she who suffered reproach among men and was called barren. With God nothing is impossible; all things are possible. Amen."

Miryam answered and said: "Be it unto me according to thy word, for I am in the hands of the Lord his maid."

The angel then departed, while Miryam entered the house with great haste to arrange for a journey to the hill country.

And when she came to the city of Yudea and entered the house of Zacharias, giving the salutation of Peace, it came to pass that Elizabeth became illumined with the Spirit of God, and in a loud voice answered the salute, saying: "Peace be unto thee, and hail to thee, Miryam; thou art highly favored; the Lord is with thee; blessed art thou among women and blessed is the fruit of thy womb—Yessu."

An Miryam said: "My soul doth magnify the Lord and my spirit rejoiceth in God my Savior. He hath regarded the low estate of his handmaiden; for, behold, from henceforth all generations shall call me blessed.' '

"Peace, peace be unto thee," said Elizabeth, "the glory of the Lord is upon thee, and whence is this to me that the mother of my Lord should come to me? For, lo, as soon as thy salutation sounded in mine ears the babe in my womb leaped for joy. And blessed is she who believeth—for there shall be a performance of those things that were told her from the Lord."

"The Lord that is mighty," answered Miryam, "hath done to me great things and holy in His name."

* * * *

And Miryam took up her abode with Elizabeth for nearly three months that she might be instructed in her holy calling.

At the decline of the length of days, Miryam took up her abode in the Galilean hills, where in the elevated valley town she might remain in contemplation and thot surrounded by nature's richest phenomena. Far to the north her eyes beheld the snow layers, while eastward lay the brooks, the lake, the river, with a thousand hills beyond; southward lay the rolling lands of Samaria, while to the west the eyes would feast upon the bounded view of the everchanging display of the Bay, the serpentine lines of Carmel slowly dipping into the Mediterranean. Such picturesque surroundings and contact with merchants, poets and expounders from India and Arabia, frequently journeying East and West, made lasting impressions upon the susceptible mind of Miryam versed in the laws of eugenics.

When Yousef discovered that his espoused was with child he was sorely grieved. Being devout in his covenant and also a just man, he thot his duty neglected. Miryam revealed unto him her instructions and the blessings bestowed upon her. Yousef thot upon these things, and seeing in his visions the obscure passages of doubt cleared away and the angel of the Lord beckon to him in a dream, he did as he was bidden. (To Be Continued)

Dear "Lighthouse Leon":

I'd hate to get into an argument with you.

Last year I was an interpreter in Wiesbaden, Germany, and made friends with a number of Mazdaznan friends, especially with Dr. Hanish's housemother, who served him for years while he traveled through Europe. She teaches English, and would enjoy reading The Broom. I shall send her a few copies next month.

Master Eckhart, a German Christian mystic of the middle ages, said that the greatest sin is "not to have undertaken". I believe that fully. It's better to risk one's neck for the truth, than to be a coward and lose it anyway under the present set-up.

Best regards, — — C. E. G.

Duties of the Covenanters

Our readers must realize that since THE BROOM evolved from a San Diego city and county weekly to a nation-wide circulation the mechanics of production had to change accordingly. To deliver the paper for publication-week-date to the 4 corners of these U. S. we have to print it 4 days earlier than when it was merely a county weekly; hence these dispatches are written on the week before you read them.

Last Sunday, in this case means March 10, as this is recorded, Fred and I were in Los Angeles to attend to various matters. He wanted to get his bicycle dismantled and put in the car to take home, as well as some apparatus he had rigged up for physical exercises. I had to contact the officially authorized spokesman for the "Church of the Golden Rule" that is now being prosecuted by the Communist fellow traveler Robert Kenny.

Naturally, while in L. A. we attended Temple services at 1159 So. Norton Ave., where Philip Ramus officiated. Fred and I were delighted to hear Ramus inform the Mazdaznan congregation that it was about time to depart from the concessions Dr. O. Z. Hanish had made 30, 40 and 50 years ago, when he permitted the meat-eaters who had become his pupils to retain dairy and barnyard products (eggs) in their transitional diet to vegetarian living.

He also announced that Mary Lou would officiate on Sunday, March 17 and, naturally, Fred and I want to be there.

We met David who has been transferred from Coleville to the federal C. O. Camp at Glendora, Calif. David was a little confused about procedure and attitude, now that he is under direct control and no longer under Quaker's supervision. Since they are not equipped to supply him with pure vegetarian food, David wondered whether he should refuse to work until they do give him food he can eat. I counselled him to take a nobleman's attitude.

We, God-conscious individuals, own and manage this whole planet on behalf of our Father; so David should be "about Our Father's business " and render service by working **thru the U. S. Forest Service**, NOT FOR the "government" which betrays the Constitution and makes a slave of him because he refuses to be disloyal to God and the Christ. The "government" passes away. The fools who today administer the institutions will relinquish their places to others, but as long as David renders a **profitable service to the Planet**, as such, by his small contributions thru the U. S. Forest Service, **this counts in the Karmic record.** It is none of David's business how accounts are kept, Karmically; whether he continues to buy his own food, while I have the money to pay for it, or whether the U. S. "government", that betrays the Constitution, feeds this slave the food fit for him to eat while he gives "service of national importance." At no time must David lose sight of the fact that he IS THE SOVEREIGN and the Forest Service employees are his servants, hired servants, even though in their ignorance they betray the Constitution and enslave their lawful masters. As a wellbred Aryan nobleman David appreciates the circumstances and will serve the Christ cheerfully, not sullenly, nor go on strike like a faithless C. I. O. hireling.

David, of course, is interested to make the employes of the Forest Service realize that **at least they ought to feed the slaves properly** when the latter work without pay. So it is up to him to find the right balance between these 2 problems that confront him now.

Mary Lou took me to task for "criticising" the nominal Mazdaznan leadership in public. She says it's a Mazdaznan "family affair" and should not be aired in a public paper. My attitude is that one who has no voice in the conduct of group affairs also has no obligations.

Mazdaznan is not limited to a numerical faction. Not even Dr. Hanish had a monopoly on it. It belongs to the human race; it is **the religion** behind all religions.

What "allegiance" do I owe those that smear my character by spreading lies that some 20 years ago I personally assaulted and beat up Dr. Hanish over a difference of opinion?! The man who did that had a name similar to mine.

The Broom is as much a part of the Mazdaznan Service as any other activity of the Associates of Mazda. Our message is for the benefit of the Aryan race, primarily, and the world at large, incidentally.

D. C. Bar Association: Attention!

Dear Mr. de Aryan:

I hasten to reply to your note postmarked Feb. 22nd. Its contents left me practically speechless. It's almost unblievable! Mr. Gallagher did not take any money to me, I have not asked him to keep it for me, in fact, I have not seen him for over a year. In the contrary, I have asked him to deposit this money at the jail so that I can use it. I am enclosing copy of my letter to Gallagher dated **Jan. 28th 1946.** That letter, as well as all others demanding the return of much needed papers, was simply ignored.

The **only time** Mr. Gallagher ever contacted me was when the government **(Mr. Rogge)** wanted certain papers that I had in my possession. These papers were returned two hours after Mr. Gallagher phoned the jail from the marshal's office.

Now, what do you make of it? Such behavior by a professional man, whom the court appoints to defend people, is simply beyond my comprehension.

In March and April of last year I even appealed to Justice Goldsborough to assist me in getting my papers back from Gallagher, but that jurist also chose to ignore my letters. Now I am going to take steps which will make Gallagher and the court conform with the ordinary decency of replying to a polite letter, or heed the courteous demand for the return of one's property.

I would appreciate your forwarding to me the letter of Mr. Gallagher to you dated Feb. 12th. It is, of course, within your discretion whether you wish to write to Gallagher again or not, I wish to say however, that I am sorry to cause you so much trouble while you are attempting to help. The whole affair, which has stretched my well-trained patience to the limit, will now finally be settled some way.

I knew that the twelve years of New Deal had somewhat lowered the standards of justice and decency in Washington, but I did not know, that apparently that influence has reflected so much upon jurists and professional men in this town, that they do not hesitate to stoop so low as to take advantage of the helplessness of men jailed for no reason at all.

Sincerely yours, H. M. SCHWINN.

Dear Sir:

Mr. de Aryan of San Diego, California writes me under the date of Jan. 20th, 1946, that "about a month ago" he had mailed $40.00 to you for me.

Inasmuch as I would like to acknowledge the receipt of this money, I would appreciate your depositing this amount to my account at the District Jail.

Very truly yours, — H. M. SCHWINN.

Y. W. C. A. and Baseball Go Negroid . . . Churchill on Russia . . . . Reds on Franco

By WASHINGTON ADAMS

WASHINGTON (Special) March 10,— Two gravely momentous, but little understood, events took place the past week.

The first was the appearance in Sanford, Florida, of two Negro baseball players signed by the Brooklyn "Dodgers" for a try-out via their farm team, the Montreal club. Superficial reporters said it was "the first appearance of a Negro in 'organized' baseball." This is not correct, as Negroes have for many years had their own organized baseball, and these players are from a Negro league.

With their advent into the big leagues, these "white" clubs then—for the first time in our history—CEASED TO BE WHITE! They became NEGROID! **There are now only two kinds of organized baseball in America—Negro and Negroid (mixed).**

Thus the long years agitation by the **Communist "Daily Worker"** and the Red Negro and Jewish press has suddenly met with startling success. They had "cracked the color line" in baseball, and paved the way for the glorification of Negro stars, living socially with their white playmates, as they are gradually accepted into the ex-white "melting pot." (Melting pot" idea was the invention of an English Jew, Israel Zangwill).

The Reds want a non-white mongrelized race in America. A mixed people can be "controlled" more easily than thoroughbreds, according to Benjamin Disraeli's book "Conningsby." Also, mongrel people are definitely inferior and pass out, said the brilliant Disraeli.

* * * *

Y. W. C. A. NEGROID

But the most revolutionary step in American history was taken by the national convention of the Y. W. C. A. in Atlantic City last week, when its 1200 delegates voted to **abolish white Y. W. C. A.'s and make them all NEGROID.**

This shocking recommendation is expected to be accepted, until in time there will be only NEGRO Y. W. C. A.'s in the Negro sections of cities, and NEGROID Y. W. C. A's in other sections. White Y. W. C. A's will have gone with the "dodo."

The Young Women's Christian Association was organized to provide a SOCIAL home and atmosphere for WHITE Christian women, alone in the city. The idea was borrowed and adapted for colored women, in separate buildings.

As the newspapers headline the Atlantic City revolution, **"Y. W. C. A. VOTES NEGRO EQUALITY,"** I rubbed my eyes. I could hardly believe it. Our supposedly intelligent WHITE WOMEN had abandoned their race pride (or been cowed) and voted to socialize with Negro women and logically to accept their brothers as matrimonial prospects.

Without exception in history, social equality has ALWAYS meant racial amalgamation. Lincoln not only opposed it, but said that he had never known a man, woman or child who believed in social equality with Negroes.

Washington, Jefferson & Lincoln turned over in their graves. Darwin, Huxley and Haeckl across the water turned over in their tombs.

* * * *

Rev. G. Bromley Oxnam, the notorious red Methodist bishop of the red "Federal Council of Churches of Christ," is urging that all white churches become Negroid.

New York Jews have introduced a bill in the pro-Negro N. Y. Legislature to withdraw tax exemption from any non-sectarian college or school which refuses to admit Negroes and Jews without limitation. It is expected to pass. **Like the infamous FEPC., its chief objective is to enable the Red forces to plant their propgandists in every Christian College.**

The Reds of America at last are really "going to town."

They are rejoicing in the picture of **Clare Luce, buying her spring hat from a black man milliner in the colored section** of Washington, which was published last week in many newspapers.

The Y. W. C. A. innovation was introduced by Mrs. Mary Tucker, from Summit, in New Jersey, one of two states which are earning the appellation, "the black States of the North."

The Y. W. C. A. convention was far too large a mob (3,000) to resist the steam-roller of its organized red leaders. I have condemned that type of convention again and again, quoting Alexander Hamilton that gatherings as large as 1,000 can not be deliberate bodies and are wide-open to mob pressure by minority groups in control.

Such a revolutionary measure should always be held up for a year of discussion and the ballot should always be secret.

Lincoln not only opposed social equality with the Negro, but he opposed giving him suffrage; he believed strongly in segregation, and his pleas for Negro colonization in Africa would have been heeded, if he had lived.

CHURCHILL ON RUSSIA

My readers will recall that two years ago I pictured the Russian Bolsheviks as utterly undependable and the enemies of Western civilization.

Last week Winston Churchill, at Westminister college, came around to our viewpoint. Why he did not see it earlier, and persuade Roosevelt to demand political freedom for the Russian people, is a mystery.

Our weak and erring Secretary of State Byrnes must be sorry that he, in a foolish moment, suggested for Russia a "Monroe Doctrine over her neighbors." The Red Bear took him up, and now orders us and England AND CHINA to keep out of Manchuria and Iran!

As George Sokolsky, the brilliant American columnist, wrote recently, HITLER MAY HAVE BEEN A "GENTLER SOUL" than the monstrous ogre we have built up on the Russian steppes.

* * * *

FRANCO

Put down another triumph for the American Reds. They have induced our State Department to join the pink governments of England and France in insulting Spain and its ruler Franco, who are in no sense inimical to peace.

Franco is a man of unsullied whiteness in character, compared to the monster we have supported and built up into a world menace.

Hamilton said our foreign affairs were to be conducted by our Senate. The Senate should censure the executive, or impeach him, if he pulls off stunts that might involve us in wars with friendly countries.

This applies also to the tactless kibitzer, Spruill Braden, in his insults to our good neighbor, Argentina.

In a clash with Russia, both Spain and Argentina might be a great help to us. "Friendliness and impartiality" were urged by Washington.

The brazen nature of the international politician is revealed by a recent statement of Dr. Mortimer J. Adler, who said: "We must do everything we can to abolish the United States. The only answer to the threat of atomic war is world government—complete relinquishment of the United States and all other national sovereignities." These words were spoken in an address by Adler delivered in Cleveland, Ohio.

Dear Sir:

Please find ten dollars with which to renew my subscription to the "Broom" and the balance you may use for the best purpose.

I wish you success in your efforts in behalf of your son David and all others that are in a similar unconstitutional jeopardy.

Yours truly, — — — —P. S.

Stalin vs. Jews

Editor, The Broom:

The Jews couldn't do business with Hitler because he, lacking diplomacy, shouted his hate for them to the high heavens. They went for "Papa" Joe Stalin, who, as I see it, beat them at their own game: **Deception and Double talking.** He promised to Co-operate with them in their aim for World domination. Now they find Stalin has double crossed them, so they send their ace—Churchill over here to get us to put the "Atomic" scare on him. Even the great Pro-Stalin—Walter Winchell has changed his spots. He now hates Stalin with a vengeance. (Jews always burn up when a sucker gets wise before they trim him).

Stalin has obviously told them that he has changed his mind about selling out to the Jews. And so, thanks to the Jews, the world is in a bad way with the Reds dominating most of it. And the worst is yet to come, and every big Jew knows it. We Christians don't count anyway. So why even try to waste time in taking a Christian point of view. The controversy is between Stalin's Communism and the Jews he double crossed, with Stalin having the whip hand. — — F. R.

In 1941 General Walter G. Krivitsky testified before the Dies Committee and revealed the secrets of the Soviet spy system throughout the world. On February 10, that year, he was found dead in his hotel room in Washington, D. C. It is now believed that his alleged suicide was a fake and that he was murdered by Russian agents.

It is pointed out that as soon as Congress ratifies a loan to Great Britain the overwhelming majority of the members of the United Nations will come to Washington with similar requests. And it will be impossible to turn them down once Britain has been granted her loan.

Gerald Smith's Trial Delayed Until March 27

CHICAGO,—St. Patrick's day and Greek independence day figured in Municipal court in the cases of Gerald L. K. Smith, head of the America First Party, who is charged with disorderly conduct, and two associates charged with inciting to riot and disorderly conduct.

Over the protests of Maximilian St. George, attorney for Smith, and for Arthur W. Terminiello, ousted Catholic priest, and Fred Kister, 100 N. La Salle st., Judge John V. McCormick continued their jury trials from March 4 until March 27.

PROSECUTOR ASKS FOR DELAY

Assistant State's Atty. James A. Brown asked for the continuance.

Brown said any date after next week would suit him, except March 17, St. Patrick's day, which falls on Sunday this year. A. A. Pantelis, assistant city prosecutor, who also sought a continuance on the city charges of disorderly conduct, said any date except March 25 would suit him. March 25 is Greek independence day.

Brown said he was waiting for Ira Latimer, executive secretary of the Chicago civil liberties committee, to furnish a transcript of what was said at a west side meeting Feb. 7 which wound up in a riot and the arrest of 19 persons. Municipal Judges **Samuel Heller** and **Oscar S. Caplan** turned up in Des Plaines st. Police court at 11:30 p. m. that night to issue warrants and release the anti-Smith demonstrators.

Jewish-prudence Amock in Chicago Courts

CHICAGO,—There seems to be no limit to the skulduggery practiced here by the Jew judges in connection with the scandalous riots which injured many persons and did much property damage at the Gerald L. K. Smith meeting on Feb. 7. There were many police on hand, but they used none of the well-known effective means to quell the disturbance and disperse the hoodlums.

When asked why the rioters weren't treated as they deserved, one of the policemen said their orders were not to use force, and also that **two Jew judges were then in sessions prepared to bring charges against any policeman that used force.** That's going some. When police may not use force against rioters who are "using force" against peaceable citizens, law and order has completely broken down.

At the hearing of the case against Earl Southard who was attacked while trying to get into the meeting, the policeman whose name appeared upon the warrant denied that he had signed it or that he had seen the alleged incident. The complacent politician judge, instead of throwing the thing out of court immediately, gave the prosecution some days to amend the complaint. Then, lo and behold, the same policeman came back and said that he had seen the incident and that he had signed the complaint. Thereupon the politician judge took this off-again-on-again business at its face value and accepted the complaint as valid.

It later developed that the complaint was wholly in the handwriting of the Jew judge who was in charge.

As to the absurd charges of "disorderly" conduct and "inciting to riot" on which Smith, Terminiello and Kister were arrested, the Jews and their official henchmen handling the matter for the "State" do not seem so sure of their ground as at the time of the utterly indefensible arrests. Already they have asked for two postponements on the ground that they had not had sufficient time to prepare their cases. It is predicted that the flimsy cases will never come to trial, that they will be nolle prossed instead, but in the meantime the helpless defendants are subjected to increased expenses and annoyance. In cases like this, you lose if you win.

It is reliably reported that the Jews of Chichago realize they pulled a serious boner in conducting this riot and there has been much dissention in Jewish circles on account of it. Chief target of the criticism is J. I. Fishbein, editor of the highly inflamotory Jewish Sentinel, who boasted that he had much to do with inciting the riot.

The scandalous conduct of the two Jew judges who freed a bunch of the rioters, while issuing warrants against the victims of the hoodlums, is being investigated by the Chicago bar association and impeachment proceedings may result.

Churchill's presence in the United States represents his fear of Communism. He is desperate and now wants America to save England from the Russia he persuaded us to help.

The only reason Stalin and Hitler broke with each other was because they couldn't agree on the division of power. Stalin broke with Hitler because Roosevelt offered him a better deal.

Jewish Persecution Reacts in N. Y.

Dear Mr. de Aryan:

On Feb. 28th I have witnessed the socalled trial of Messrs. Maertz, Mertig and Elmhurst. The whole trial made my Aryan blood boil from the tip of my toe to the top of my head. A similar miscarriage of justice is unparallelled in the annals of American jurisdiction.

The denial of every motion of the defense lawyer by the little Oriental associate judge, was a too conspicous fact to be missed. The vitriolic attack of the also Oriental District Attorney, who, in the presence of a big sympathetic audience (with the defendants), on the character of the defendants made every white man's blood boil. We here in the judaic section of New York will bend our maximum effort to get rid of the influence of this unique race. The struggle will be a hard one, their influence is tremendous all over, but the final victory over them will give us the possible greatest satisfaction.

Judeo-Bolshevism will engulf our dear country only over our **dead bodies.**

To the defendants:

Do not despair, but let this criminal injustice inspire you to greater deeds.

We, white Gentiles are with you in our soul. Your suffering is our suffering also and your desires for retribution is our desire also. We will carry on with greater determination and perseverance in your absence, and we will never rest until we liquidate this pestilence in the most democratic form.

JANOS de MAGYAR.

FREE SPEECH

Feb. issue of "The Roman Forum", Los Angeles, states: "Dr .Michel M. Miller, who said that some of our legislators in Washington were drinking too much, has been dismissed . . . **It is not possible to tell the whole truth or at least too much of it at any time, unless you, yourself, are in independent, impregnable position. . . .**

"Dr. Miller, was a Phychiatrist in a Federal Lunatic Institution. . . . . .also on the staff of St. Elizabeth's Hospital. . . . . and asked to leave that position too."

The doctor overlooked that with the taxes in liquor prices every booze consumer is a patriot trying to pay the national debt. He is also a tax relief to "pillars of the church," who usually are holders of valuable tax-relieved land or other monopolies. —Geo. Cartwright.

Frank Fay, the Broadway star who has chosen to fight for Christ instead of Stalin, is now at the top of the smear list. Recently, in Madison Square Garden, the Christians of New York York and its environs gave Actor Fay a demonstration of their appreciation for his courage.

Does Not Want to Be Killed

Gentlemen:

About a month ago I sent on $1.00 for a 4 and one half months subscription to The Broom. I received three back issues for which I was grateful but have not since received any copies. I thought that last week I would surely receive it.

I subscribe to a number of papers of a patriotic nature and was much impressed with yours and thought it the best but have been much disappointed at not receiving it. I should like to send in a list of names and have you send sample copies to them. How much will they cost per name? Also if agreeable to you will extend my subscription to one year and take two copies (One to give away).

I am interested in buying and selling patriotic literature, especially books. If you know of anyone else in this field I would appreciate your putting me in touch with them. I would especially like to get the following:

Kamp. Unamerican Gestapo. Complete.
Mrs. Dilling. **Roosevelt** Red Network. (I have several copies of Red Network to sell).
Mrs. Dilling. Octopus.
Nesta. Websters Books.
Book by Douglas Reed.
Weidman—I can get it for you wholesale.
" What's in it for me?
" Horse that could whistle dixie.
H. Belloc.—The Jews.
Booklets by Pelley.
Characturische Juden. by the author of Sittengeschichte. (Friedlander?)
Chamberlain,—Unfinished—??**—?? Also cause of world unrest. 1920—Putnam.
Books in German or French.

I have a few of the Ford booklets which I am willing to trade. Esp. Vols 3 and 4.

I hope that you will keep this correspondence confidential, as I hear that when (and if) the Reds take over they will kill first the subscribers who take the patriotic papers such as yours.

Cordially yours, — — D.
